Hospice House:

There are not enough words in the English language to express my gratitude for the care that was given to my husband during his time in Hospice House.

The tenderness, love, nurturing and constant attention shown to him by all the staff was simply incredible. It was a testimony to the goodness of which the human heart is capable.

My husband suffered for almost five years. Although I will miss him terribly, I am also joyous that his struggle has ended. His last few minutes were quiet and peaceful. I was very glad that I was with him during those moments.

Please share these thoughts with all your staff. I will never forget them.

Sincerely,
A Wife
